ANNOUNCEMENT

A.P. Møller - Mærsk A/S – Publication of demerger plan

In continuation of the announcement on 21 February 2019, the A.P. Møller - Mærsk A/S (APMM) Board of Directors has today signed and published a demerger plan for a tax-exempt demerger of APMM with the purpose of separating the company's drilling activities (Maersk Drilling).

As previously announced, the demerger will be completed by APMM injecting 100% of the shares of Maersk Drilling Holding A/S, including this company's subsidiaries as well as certain other assets and liabilities related to APMM's drilling activities to a new company, The Drilling Company of 1972 A/S (The Drilling Company of 1972), which will be established as part of the demerger. All other activities will remain in APMM.

Upon completion of the demerger, APMM's shareholders will receive shares in The Drilling Company of 1972 which will have a single share structure. The shares will be distributed evenly among APMM's shareholders, so that every A or B share in APMM of nominally DKK 1,000 will receive 2 new shares of nominally DKK 10 and every A or B share of APMM of nominally DKK 500 will receive 1 new share of nominally DKK 10. All shares of The Drilling Company of 1972 will have the same rights. Other terms and conditions of the demerger, including the articles of association for The Drilling Company of 1972, can be found in the demerger plan which is available on APMM's website (investor.maersk.com).

The demerger is subject to adoption on APMM's annual general meeting. Notice convening APMM's annual general meeting is expected to be published later today.

Upon completion of the demerger, the shares of The Drilling Company of 1972 will be admitted to trading and official listing on Nasdaq Copenhagen A/S. In connection with the listing, Maersk Drilling Holding A/S has prepared a listing document which will be available on www.maerskdirilling.com/financials later today.
