

How to participate in virtual/hybrid AGMs

Attending the AGM online

You can participate in the online meeting via your computer, tablet or smartphone. We recommend that you participate via computer or tablet for the best experience.

Online participation allows you to view a live webcast of the meeting, ask questions (via chat) and submit your votes in real time.

Please note that you will need the latest versions of Chrome, Safari or Edge. We recommend that you test your browser's compatibility by logging in early. You can log in one hour before the meeting starts.

1. Go to the website meetnow.global

Open a web browser and go to the website meetnow.global.

Choose country or search for company name.

2. Choose meeting

Click on the meeting you wish to attend by clicking on the 'Go' button.

You can log in one hour before the meeting starts.

3. Log in

On the login screen, please enter your **username** and **password** stated on your admission card received upon registration.

Accept the Terms & Conditions and click 'Continue'.

Navigation

When successfully authenticated, the home screen will be displayed and the webcast will appear automatically once the meeting starts.

On the tab menu, you will have options to: view broadcast, ask questions, vote and view meeting documents (if provided by the company).

If the meeting supports more than one language, you can choose language in the top right menu next to your name.

Questions

Once you are logged into the meeting, you can ask questions by clicking on the 'Q&A' icon. If the company uses question categories, please choose a category for your question from the drop down list (Select Topic).

Type your question in the bottom text field and press 'Send' to submit your question.

In the top text field you can view your sent question(s) and replies from the company.

Please note that guests will not be able to ask questions at the meeting.

Voting

When voting motions are put forward, a bar with a link to the voting tab will automatically appear on your screen. Click on the link or on the 'Vote' icon.

Select your voting direction from the options shown on the screen.

Your vote has been cast when the check mark appears.

If you wish to change your vote, please click 'Change my vote'.

Language

If the meeting supports multiple languages, you can select language in the menu at the top right corner next to your name.

Support

If you need support, please contact Computershare's help desk on +45 4546 0997.
